STEP BY STEP THE LADDER IS ASCENDED

We seniors took our first steps into the halls of learning twelve years ago; and, since then, many feet have followed in our footsteps. Through our studies and our various activities, we step along together, woking side by side. We take a step toward sincerity by serving our school through our activities and by helping in them in every way that we can. We take a step toward courage through the work we do. By applying ourselves to the best of our abilities, we not only help ourselves but also those around us. By being helpful to others, in understanding their needs and problems, we take a big step toward unselfishness. Some step forward confidently to lead others, but we humbly follow those steps which have gone before us, knowing that we have much responsibility.

The longing look of a small child shows the awe he holds for the steps that lead upward. Year by year those steps are slowly ascended--only to find that there are many more ahead. During the past year many feet have tread the halls of learning. With pictures and story we shall try to retrace some of these steps.

Our book begins with a picture of the band which symbolizes steps in unison. It ends with a picture of the seniors, who will soon be taking a big step forward. The road to success is a long, rough journey. Realizing this, we combine all our steps and efforts as we step into the future. We shall take our place in the world and, walking along beside others, strive to make this world a better place in which to live.

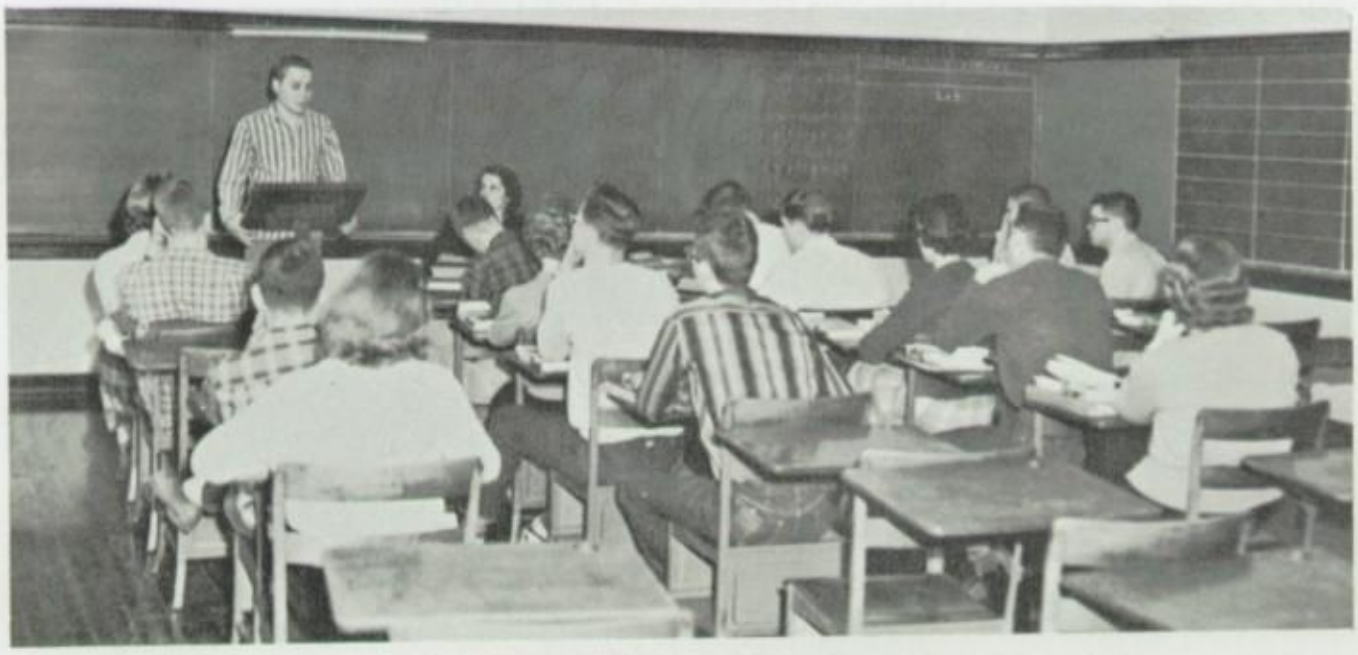
Mr. Ralston seems to be contemplating his answer in his sophomore science class.

The sophomore Home Ec. class is busy looking over different types of fabrics.

"Hit the nail squarely," seems to be what Mr. Devitt is telling his sophomore Vo. Ag. class.



"To be or not to be." This is a speech in senior English class.

Due to the amount of light, some of the faces are not clear. But it is the activity that is emphasized.

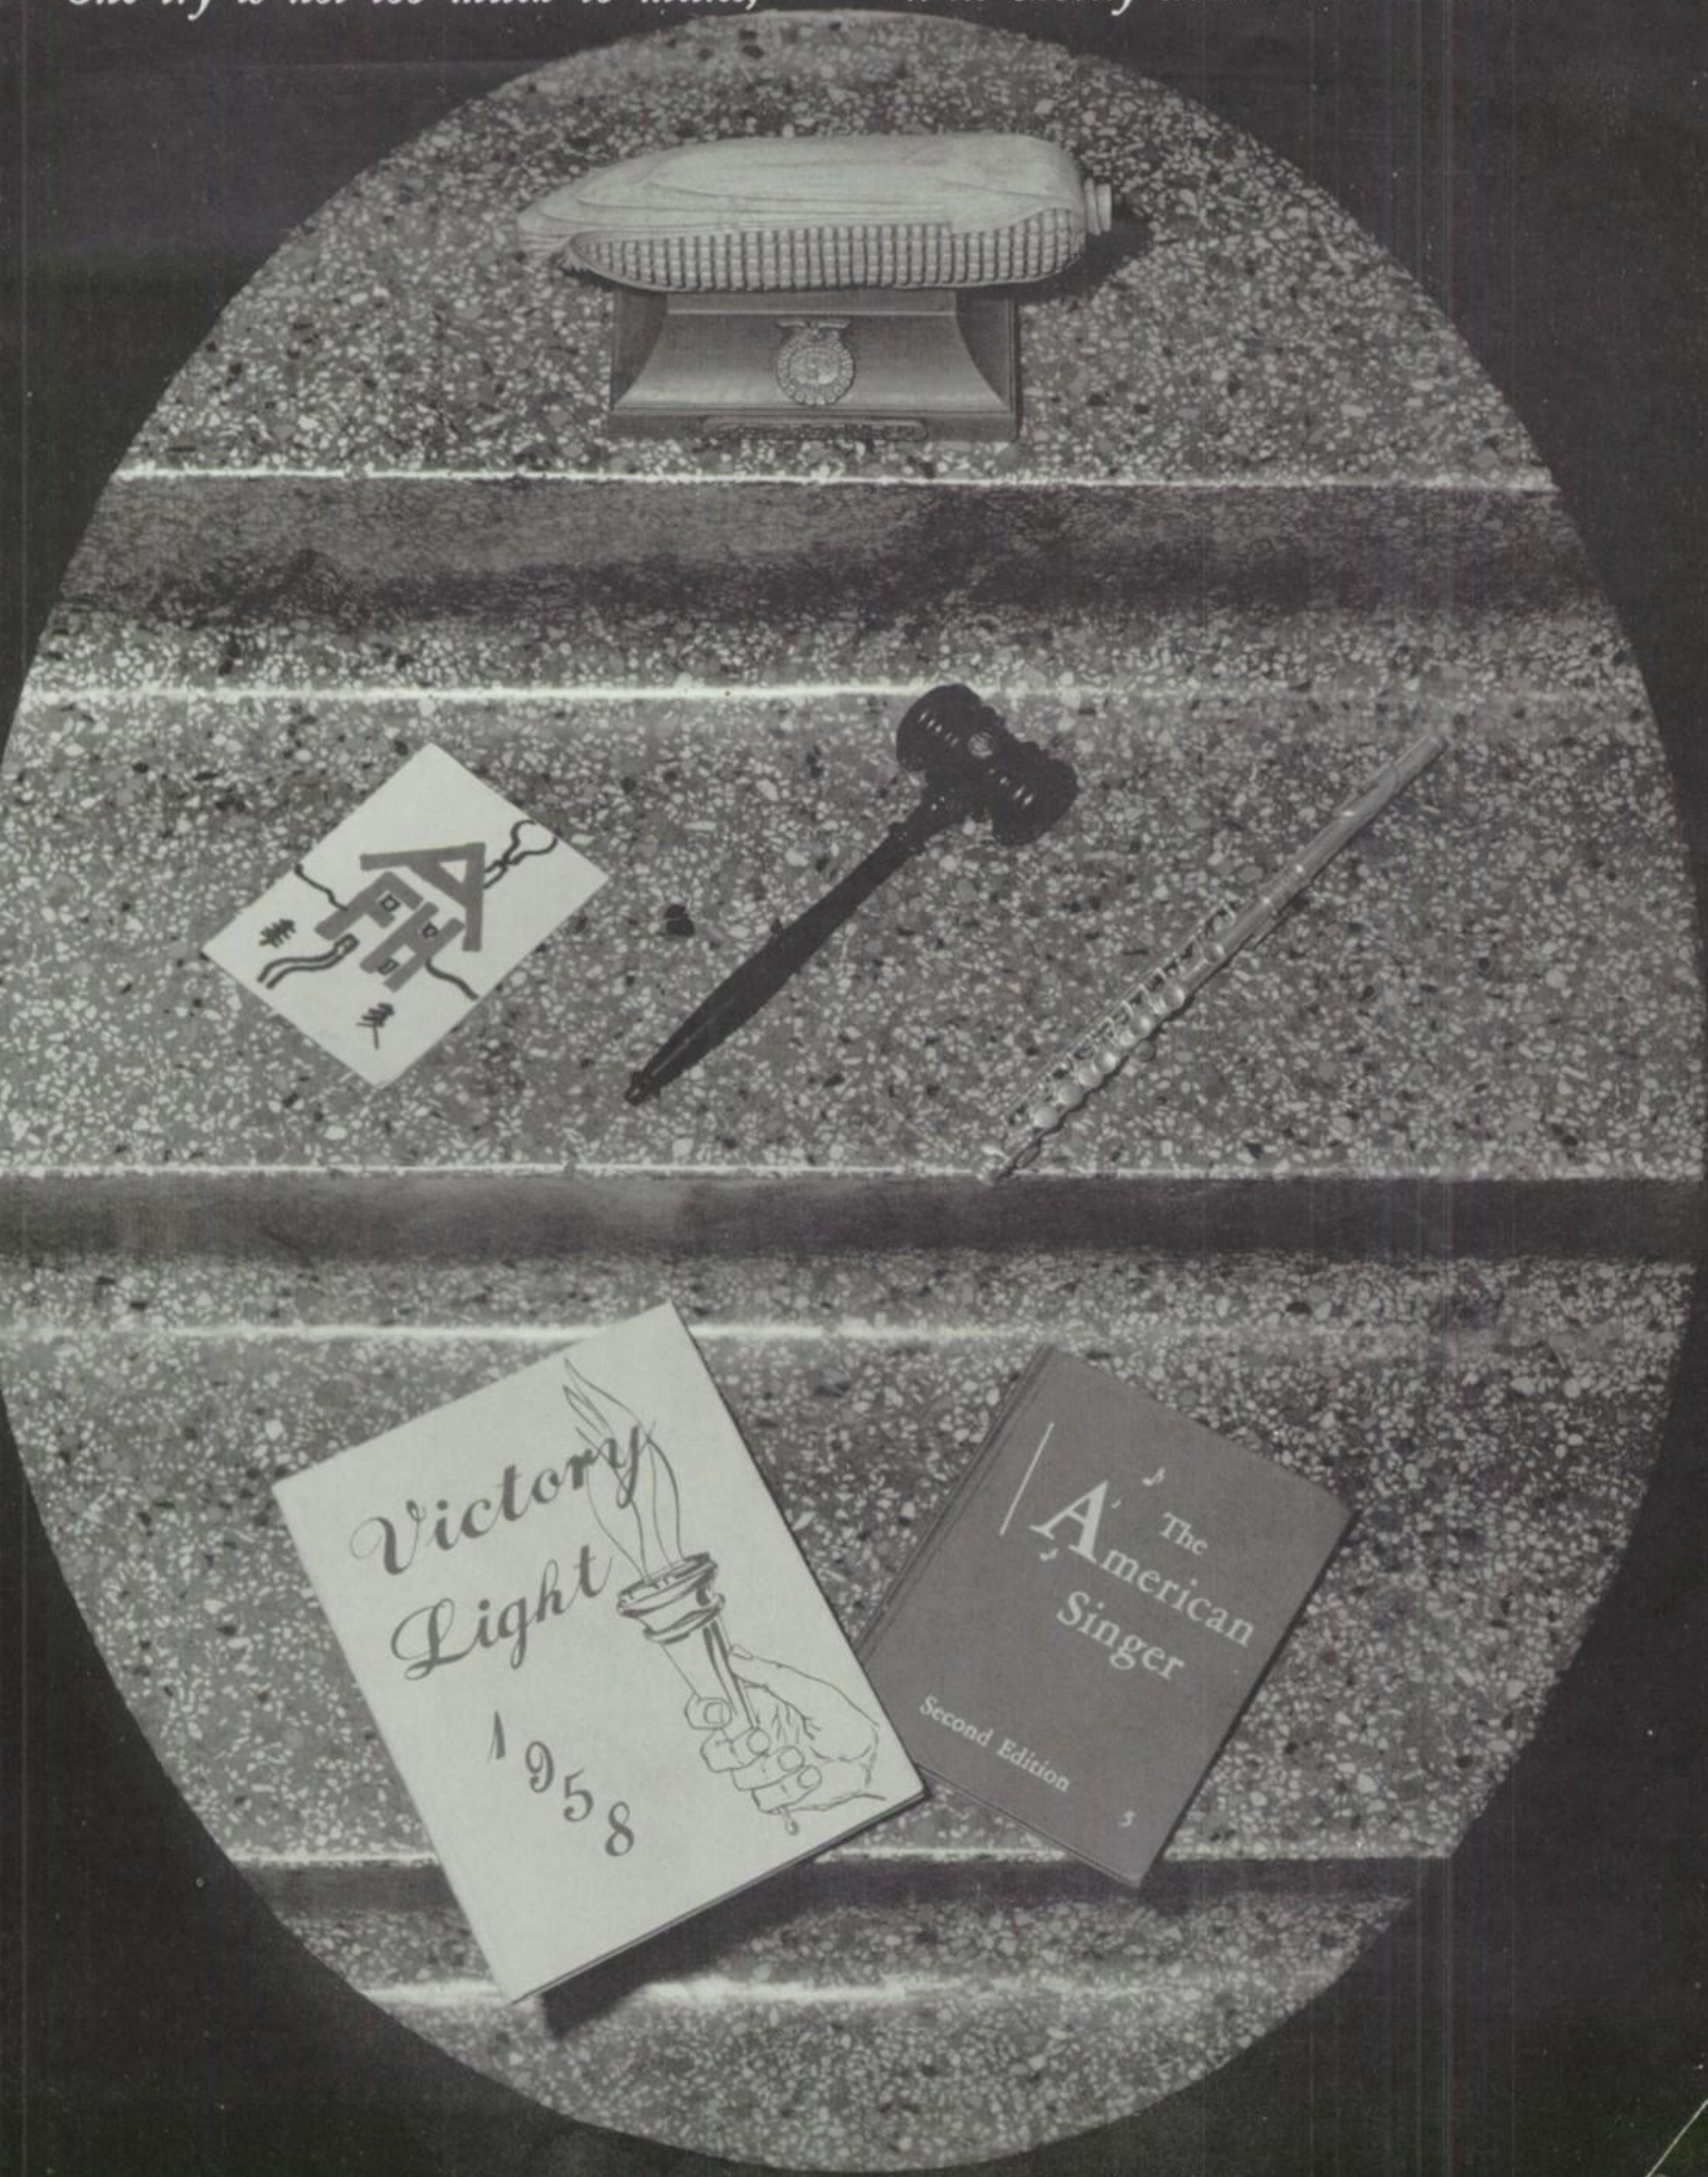
As we entered the Special Education class, they were busy painting ceramics.

The third graders were busy writing when we peeked in on them.

The fourth graders took time from their geography class to pose for our camera.

History is an interesting subject, but the fifth graders seemed to find our photographer more so at this moment.

One step is not too much to take,
One try is not too much to make,
One step, one try, one song, one smile,
Will shortly stretch into a mile.



Victory Light Staff

FIRST ROW: Sandra McKay, editor; Steve Keller, typist; Sharma Penhorwood, typist. SECOND ROW: Mr. McGarvey, advisor; Gerry Roush, Junior assistant editor; Linda Mackey, Junior editor; Walt Buroker, Larry Brown, Scotty Elsasser, Joel Headington, business staff; Carol Elliott, assistant editor; Joyce Appelfeller, business manager; Miss Winder, advisor.

The Victory Light is published by the Victory Light Staff, which is largely composed of Seniors. Although this project requires much time, patience, and glue, the staff enjoys putting the yearbook together. There is always the challenge of originality and this challenge always seems to be met.

Victorian Staff

FIRST ROW: Joyce Appelfeller--business manager, Bob Shepherd. SECOND ROW: Steve Farrington, Carol Elsasser, Joe Ewing, Sharma Penhorwood, Sandra McKay--assistant editor, Carol Elliott--editor, Linda Mackey--Junior assistant editor, Gerry Roush--Junior editor, Sherry Phelps, Sharon Rapp, Brenda Van Atta, Melinda Rish, Cindee Wagner. THIRD ROW: Ann Musson, Joan Elliott, Kathleen Gray, Joe Thompson, Joel Headington, Nolen Brown, Larry Brown, Steve Keller, Cary Headington, Ross Baird, Kayleen Fields, Pauline Wallace. Miss Winder--advisor.

Working together, the Victorian staff turns out the school paper every six weeks. The mounting number of subscriptions taken shows the staff that there is another busy year ahead. Editorials are turned in and the work begins. Typewriters hum and mimeograph ink is put to work. After the finished product is distributed, you can hear sighs of relief and see wet brows being wiped, as the staff realizes it is another job well done.

Honor Society

FIRST ROW: Cary Headington, Gerry Roush, Sharon Rapp, Linda Mackey. SECOND ROW: Miss Winder, Joyce Appelfeller, Carol Elliott, Sandra McKay.

The probationary members of the National Honor Society are chosen at the beginning of the second semester of their Sophomore year. The number of probationary members depends upon the size of the class (10% of the class). After the first semester of their Junior year, these students (now 15% of the class) become permanent members, providing they have maintained their high standards, grades, and leadership

Members of the National Honor Society are chosen by the teachers on the basis of character, leadership, service and scholarship.

Pep Band

FIRST ROW: Joyce Appelfeller, Rodney Britton, Jimmy Black, Dwight Ramge, Jimmy Newman, Gary Gillen, Gary Buroker, Kenny Johnston, Walt Buroker, Joe Thompson. SECOND ROW: Judy Boyd, Sharon McKinley, Kathleen Gray, Karen Keller, Joan Elliott, Linda Madison, Gerry Roush, Barbara Carpenter, Dorothy Goddard, Sherry Phelps. THIRD ROW: Steven Craig, Steve Harvey, Patsy Zachariah, Sharon Rapp, Ann Musson, Jeff Farrington, Sue Mackey, Jane Battles, Della Bailey. FOURTH ROW: Dale Smith, Robert Connolly, Arnold Bailey, Pamela Gamble, Cheryl Kelsey.

This group of band members help to keep things lively at the pep rallies. When they swing forth with their renditions of "Mother Goose Jumps" or "Saints Come Marchin' In," hands start clapping and feet start tapping. But the biggest response we get is when the band blares the familiar strains of the "Mt. Victory Fight Song." The pep band deserves a bigger hand than they get.

These young boys and girls are anxiously awaiting the day they will graduate to the Senior Band. By taking home their horns and practicing their scales, they hope to become better musicians. Each year we lose Senior Band members and need some of these members to take their places. Take a good look at them now for I know they hope to be in the Senior band picture next year.

Outgoing Senior Band Members

Joyce Appelfeller-8 years, Mabel Fout-8 years, Joe Thompson-7 years, Walt Buroker-8 years, Carol Elliott-8 years, Sandra McKay-6 years, and Ann Musson-6 years.

This year we are losing seven band members, four of whom have been in the band since it was organized eight years ago. From the trumpet section we lose Joe, Mabel, Joyce and Ann; from the saxophone saxophone section we lose Carol; from the trombone section, Walt; and from the French horn section, Sandra. The band will never recover, it is for sure!

"Head for the hills!" That's the cry you hear when the little green car comes around the corner. Yes, our drivers' education teachers are trying their best to put safe drivers on the road. We are confident that they are succeeding in their campaign. We'll give these teachers E for effort on their report cards.

Librarians

Jerry Burrey, Nolen Brown, Carol Elliott, Kathleen Gray, Judy Boyd, Robert Amweg.

"A-B-C-D, now is that in alphabetical order?" is usually the question asked by librarians. Don't send for the psychologist if you have heard one of them talking to themselves. They are only trying to straighten out the books. At least, this is their excuse.

This year the FHA members have been busy working on FHA degrees, preparing banquets, and planning programs. The FHA members and advisor were on three radio programs this year. The FHA chapter has been more active on the state level than in any previous year by attending and participating in State FHA meetings and camps. Come freeze, fire, or flood, the FHA is sure to be there because the FHA is an organization that breaks the freeze of one's heart to fill it with the fire of ambition and a flood of laughter.

Our FFA has been quite active this year. They have attended Farm and Home Week at Columbus, Livestock and Land Judging Contests, State FFA Convention, FFA Camp, and the National FFA Convention. They gave a Parliamentary Procedure demonstration at the Community Institute.

Do any of you have any pests you would like to get rid of? Just contact our local FFA. They seem to be experts at collecting rats and rodents in pest hunts.

Safety Patrol

The duty of the town safety patrolman is to direct the students and adults across the streets and across intersections. The bus patrolman must maintain order on the buses and co-operate with the bus drivers in seeing that the student have a safe ride to and from the school.

Absentees

The following students were absent when the individual pictures were taken: FIRST ROW: David Howe, Bernard Decker, Danny Furer, Royce Decker, Rita Decker, Tony Harvey. SECOND ROW: Walter Miller, Gary Gillen, Ronnie Decker.

Cafeteria Crew

Come what may--rain or snow--the cafeteria crew is always on hand to aid the cooks in preparing and serving our school lunches. With a cheerful smile and dishpan hands they make it possible for us to fill our empty stomaches each day at noon.

Our Varsity team's fans have followed them to 23 games and three tournaments. Our fine team has given Mt. Victory a lot to talk about with its fine playing an coaching. This team finished the regular season with a 12-6 record and the whole season with a 16-7 record. From there they moved on to win the county tournament. Not satisfied, they advanced further to win the sectional tournament, but an off night spelled defeat for the Victory High team at the district tourney. It was the first time in 31 years that M.H.S. has won the county tournament. They brought home three trophies this year for us. Boys, you may be very, very proud of the record you have given us this year. We are!

Reserves

Jerry Boyd, Kenny Cannode, Larry Ferguson, Bobby White, Kenny Johnston, Larry Brown, Doug Harder, John Culp, Jerry Wagner, Arnold Bailey, Bill Goddard, Manager; and Mr. McGarvey, Coach.

This year our Reserve team made M.H.S. very proud of them. They sported a 15-1 record for the season and proudly displayed a 6-0 league record. For the first time in the history of our school, our Reserve team bagged the county Reserve league championship for Mt. Victory. It was a job well done, Boys!

The smiles you see on their faces look like the ones everyone else at M.V.H.S. wears whenever they see these trophies or hear the tournament mentioned. The trophies are the Holiday tournament, County tournament, and Sectional tournament trophies. We're proud of our team!

In this picture you see the future basketball players of tomorrow. They may not always win but they're always in there trying. The Reserve team displays the better record with six wins and three losses. But the Varsity has played more games and displays a 5-11 record. As we go to press, this little band is eagerly awaiting their first tourney game against Hardin Central. Go to it boys!

Baseball Team

FIRST ROW: Joel Headington, Steve Creamer, Walt Buroker, Steve Keller, and Joe Thompson. SECOND ROW: Joseph Vicario, Coach; Chuck Buroker, Norman Smiley, Jan Sorgenfrei, Kenny Johnston, Cary Headington, Kenny Cannode, Jerry Burrey and Bill Goddard, Manager.

This fall our baseball team drove in enough runs and bagged enough hits to walk away with second place in the county. If we manage to strike down Hardin Northern in a three game series this spring, we are on our way to the district for the second straight year. Good luck boys!

Cross Country

FIRST ROW: Joel Headington, Walt Buroker, Joe Thompson. SECOND ROW: Kenneth Cannode, Bob White, Steve Creamer, Jerry Burrey, Jerry Cross.

Self-determined and bare-footed, our faithful Cross Country team was second to the finish line in the county. They then participated in the district meet and competed against AA schools. They finished eight out of thirteen by team score. Kenny Cannode finished first from our school on both levels.

Track Team

FIRST ROW: Joel Headington, Scotty Elsasser, Walt Buroker, Joe Thompson. SECOND ROW: Kenneth Cannode, Bob White, Jerry Burrey, Gary Gillen, John Culp, Jan Sorgenfrei, Arnold Bailey, Chuck Buroker.

This sturdy group of athletes did much the same as our Cross Country team. They finished second in the county but did not go to a district track meet. Kenny Cannode again finished first for our school at the county track meet

Freshman Team

FIRST ROW: Charles Carruthers, Steven Harvey.
SECOND ROW: Jack Stanley, Carlton Musselman, Bernard Brown, Kenny Ansley, Tommy Smith, Mr. Ralston, coach.

Something new has been added in the sports field at MHS. In the picture above you see our newly organized Freshman team. They play other Freshman teams throughout the county. Their record stands at 4-3. This gives Freshman boys who don't play Reserve ball to still keep in practice and condition. We hope we see this team again next year.
